

Production Recipes

The following entries represent those recipes that are readily known by the Crafters of Torakand.

Untrained Production Recipes

Cheap Trade Goods

Rank: Untrained

Materials: Any 3 matching Materials

Type: Creation

Creates: 1 Shipment of Cheap Trade Goods

Time: 4 minutes

This item refines materials into appropriate trade goods. These items can be treated as if they were Cheap Price and have the same Rarity of the materials used to make them, and will always trade for a standard value with the Quartermaster. Delivering certain quantities of requested Trade Goods may complete Quests with the Quartermaster.

Basic Production Recipes

Average Trade Goods

Rank: Basic Production

Materials: Any 2 matching Materials

Type: Creation

Creates: 1 Shipment of Average Trade Goods

Time: 4 minutes

This item refines materials into appropriate trade goods. These items can be treated as if they were Average Price and have the same Rarity of the materials used to make them, and will always trade for a standard value with the Quartermaster. Delivering certain quantities of requested Trade Goods may complete Quests with the Quartermaster.

Advanced Production Recipes

Expensive Trade Goods
